

Why Brisbane?

The 2032 Olympic Games are expected to support 91,600 full time jobs in Queensland.

Source: QLD Govt.

"South-east Queensland has a lot to offer in terms of lifestyle and value for money for buyers and that will only continue to improve over the next 10-plus years as greater Brisbane prepares for the Olympic Games. The Olympic effect will see Brisbane established firmly on the global stage."

- Richard Lawrence, Position Property Director

Brisbane is set to benefit from over 50 major projects across the city.

Did you know?

SQM Research is forecasting 5 per cent growth in 2023 for Brisbane's housing market.

The annual change in Brisbane unit values is now 10.7 per cent, confirming units are outperforming the house market throughout the city according to Corelogic monthly data.

According to Corelogic, supply levels, as measured by listing volumes, are still down -13 per cent in Brisbane, compared with 12 months ago.

Rent price growth has been stronger in Brisbane over the last 12 months than every other capital city and regional market in Australia, with vacancy rates below 1%.

There are 50 major projects planned for the lead up to the Brisbane Olympics.

Exclusive Access to Off Market Opportunities

Position Property are your exclusive agents for Brisbane's best range of brand new apartments and townhomes within a 20km radius of the Brisbane CBD.

From chic, inner-city apartments just moments from all the action, to spacious multi-level townhomes nestled peacefully away from the bustle of the city. We offer an unbeatable selection of opportunities to suit your individual needs.
